PLANT EXTRACTS FOR THE TREATMENT OF :
CIRCULATION AND ADIPOSITY PROBLEMS :

SUBMISSION OF CORRECTED INITIAL INFORMATION DATA ENTRY SHEET

September 5, 2002

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

On Friday, March 8, 2002 the undersigned filed a patent application specification with claims, an Information Disclosure Statement, an unexecuted declaration/power of attorney, an Initial Information Data Entry Sheet, and a Form 1390 Transmittal Letter.

The undersigned hereby submits a Corrected Initial Information Data Entry Sheet (IIDES) for correction of the inventor's address and for proper entry of the relevant priority information. The undersigned hereby requests that any filing receipt issued in connection with this application be prepared to conform to the information on the Corrected IIDES.

Please note that there may be a conflict within the USPTO records with the priority information of record in copending application serial no. 10/070,655 which was filed on the same day, lists the same inventor, and has a similar title. An appropriate request to correct the file information in this copending application was filed on July 10, 2002.

The Commissioner is hereby authorized to charge any additional fees, which may be required, or credit any overpayment to Deposit Account No. 18-2220.

Respectfully submitted,

Lance G. Johnson
Attorney for Applicant
